Notice of Public Hearing
Leominster Board of Health

Pursuant to M.G.L. Chapter 111, Section 150A and 310 CMR 16.00, the Leominster Board of Health will hold a public hearing on **October 19, 2026 at 5:30 PM** in the City Council Chambers at the Leominster City Hall, which is located at 25 West Street in Leominster, MA, to consider the Application for a minor modification to the Site Assignment of an existing solid waste handling facility.

Facility Location: 200 Tanzio Road, Leominster, MA 01453
Applicant: WIN Waste Innovations of Northern New England, 90 Arboretum Drive, Suite 300, Portsmouth NH 03801
Hours of Material Acceptance: 6 AM -7 PM Monday-Friday, and 7 AM - 3 PM Saturdays
Proposed Tonnage: 1,500 tons per day (tpd) maximum (Average 1,000 tpd annually)

Description of Proposed Minor Modification:
The Facility has filed an application for a minor modification to Site Assignment to increase the daily maximum tonnage from 1000 to 1500 tpd, but maintain the current permitted annual tonnage of 300,000 tons per year equivalent to an average of 1,000 tpd, as currently permitted.

Time & Location Where the Application May Be Reviewed:
Copies of the application for Site Assignment may be reviewed at the Leominster Health Department office at the Leominster City Hall, 25 West Street, Room 11, Leominster, MA between the hours of 8:30 AM and 4:00 PM, Monday, Tuesday, Wednesday, and Friday or 8:30 AM to 5:30 PM on Thursday (phone: 978-962-3558). The deadline for written comments to the Board of Health on the application is October 12, 2026.
